2005 CABERNET SAUVIGNON PORT

As the calendar rolls around again to the holiday time, and thoughts turn to the family table and sharing with friends, one of the great styles of wine for that setting is now ready. • It's Port time. Our 2005 Cabernet Port is the fourth release of this fortified wine, and it's available just in time for Thanksgiving dessert! Harvested by our enthusiastic Barrel Room staff from 10 rows of Cabernet on our Home Ranch estate vineyard, this wine was made as all of our other reds are until the end. The hand-harvested fruit is brought to our small-lot winery and gently de-stemmed and crushed. Fermented in small, ¾ ton, open-top plastic bins, the fermenting wine is hand-punched several times each day during fermentation in order to extract tannin and color from the grape skins. • In 2005, Home Ranch Cabernet was harvested at nearly 26° brix. Fermentation proceeds vigorously until there is about 10° of sugar remaining. At this point, the finest brandy is introduced to the wine and magic happens. The brandy transforms great Cabernet into a wonderful elixir, thick and age-worthy. The brandy serves the dual purpose of killing yeast thereby stopping fermentation with about 10% residual sugar remaining, and allowing the wine to age for decades. • As a young wine, this Port is replete with the aromas and flavors of raspberry, roasted nuts and toasted herbs. The wine has nice viscosity in the mouth, coating the tongue. The wine is just sweet enough, and has a fair dose of acidity which helps to carry flavors on a long finish and to underscore the sweetness by limiting it. • As this wine ages, the flavors of brandied cherry will become more obvious, the oakiness will smooth out and recede, and the whiff of toasted hazelnut will develop more complexity. • In this vintage, only 112 cases of 500ml bottles were produced. Stored under the proper conditions, this wine will age beautifully for many years. And to get the most from it, try this setting: your roaring fire and cold night and truly loved one, the best Stilton blue cheese you can find, walnuts and hazelnuts heated in the oven...and those thoughts of holiday time.
