2011 CABERNET SAUVIGNON PORT, HOME RANCH, LIVERMORE VALLEY

This Cabernet Port is the tenth release of this fortified wine, and it's available just in time for Thanksgiving dessert! Harvested by our enthusiastic Barrel Room staff from 10 rows of Cabernet on our Home Ranch estate vineyard, this wine was made as all of our other reds are until the end. The hand-harvested fruit is brought to our small-lot winery and gently de-stemmed and crushed. Fermented in small, ¾ ton, open-top plastic bins, the fermenting wine is hand-punched several times each day during fermentation in order to extract tannin and color from the grape skins.

In 2011, Home Ranch Cabernet was harvested at nearly 25° brix. Fermentation proceeds vigorously until there is about 10° of sugar remaining. At this point, the finest brandy is introduced to the wine and magic happens. The brandy transforms great Cabernet into a wonderful elixir, thick and age-worthy. The brandy serves the dual purpose of killing yeast thereby stopping fermentation with about 8.25% residual sugar remaining, and allowing the wine to age for decades.

As a young wine, this Port is very much a true reflection of the variety from which it was made. Unlike the traditional Port grapes, Cabernet has elegance to it, even at its most tannic. This new release reflects the texture of its base wine in the roundness of fruit and the lack of hard tannins in the mouth. There is an abundance of caramel, chocolate, Home Ranch mintiness, and Allspice in the nose, and – in the mouth – there are very rich and viscous flavors of chocolate, spice, black fruits, and mocha. Showing its youth now, as the wine ages the flavors of brandied black fruit will become more obvious, the oakiness will smooth out and recede, and the whiff of toasted spices will develop more complexity. In this release, only 47 cases of 375ml bottles were produced. Stored under the proper conditions, this wine will age beautifully for many years. And to get the most from it, try this setting: your roaring fire and cold night and truly loved one, the best Stilton blue cheese you can find, walnuts and hazelnuts heated in the oven, and those thoughts of holiday time.

HISTORY

The Home Ranch was planted in 1996 to clone 7 Cabernet. Our first vintage of Cabernet from the site was the 2000 Positive/Negative. Numbering 2.8 acres the Home Ranch Cabernet block continues to produce outstanding Cabernets as well as our yearly dessert wine.
