

2018 Wine Club Release Schedule

Below are the dates for the Wine Club Release Celebrations. The celebrations are an opportunity for us to share your newly released wine, plus other club favorites. We will email you prior to the release so we can provide details and you can reserve your space for the celebration. **Please make sure you have wineclub@stevenkent.com in your safe sender email list so you can receive notifications.**

Billing – Your allocation will be billed the Thursday prior to the release to your card on file. If you need to update your credit card, you can manage your account online at www.stevenkent.com or call us directly at 925.243.6442. If you have additional questions, please contact us at wineclub@stevenkent.com.

Pick up Members – Your wine will be available for pick up the Friday prior to the release celebration. If you collect your wine in the same month it's billed/released, you will receive a \$5 "Pick Me Up" coupon that is good toward a future wine purchase (not applicable for auto billing of wine shipments). It's our way of saying Thank You for collecting your wine on time!

Ship Members – Your wines will be shipped the Monday/Tuesday following the release. You will receive tracking notification once your wine is on it's way. Please note: In months where the weather does not permit for shipping (warm temps either at our or your location), we will hold your paid allocation until we are able to safely ship it. Once weather permits, we will ship all wines to you.
